## EMPLOYMENT HISTORY

### Matalan

August 2010 - Present

- Warehouse Operative

My duties while working at Matalan in the E-commerce department have included picking orders for customers, stock intake for new products, checking stock, and stock adjustments. I have also worked as a team and on an individual basis where I have picked up experience and better communication skills.

### West Lancashire County Council

September 2005 - January 2011

- *Youth Worker*

Based in Skelmersdale at the Point Six Youth Club; as a volunteer youth worker my tasks consisted of looking after young people, teaching them new skills and discussing key issues, regarding on going events within the media, and matters in general that is deemed to be interesting.

### WCF Distribution Services

January 2010 - February 2010

- *Web Systems Developer*

This was a freelance position as a Web System Developer. Therefore I was required to create a new website for their business. This task in hand helped me improve my communication skills and helped me gain confidence when working with a client.
